

Family Open Mornings for Prospective Parents 2024

Arrangements

We are delighted to be offering prospective parents of Year 2 children the opportunity to have a look around our Outstanding school this term and will be opening our gates for pre-arranged appointments. The visit will consist of a brief presentation in the school hall by the Senior Leadership Team and then a tour with a member of staff and our Year 6 Captains

The dates are **22nd October** and **6th November** and the slots are for **9am** and **10:45am** on each day. We ask parents to sign up for a slot and to arrive promptly. Children are welcome.

You and your children will be able to walk around the grounds and look at our impressive outdoor facilities, such as: our outdoor gym, our sports courts, the golden mile track, the sensory garden, astroturf, forest school, our huge field and the Connaught Castle!

You will also be able to look around inside the school building so that you can see our learning environments, our cookery room/STEAM Lab, pottery room, music room, IT Suite, large main hall and dining hall.

Members of staff will be on hand to answer any questions and Toffee the School Dog will also be available for the children to meet.

To book an appointment, please phone the school office on 01276 472489 or email us on school@cjs.tamat.org.uk

We know that you will be impressed by the atmosphere in the school building, and the behaviour of our pupils which was recently described by OFSTED as 'excellent'.

'Pupils are highly positive, enthusiastic and proud to be part of this exceptional school.'

OFSTED 2023

Headteacher: Miss S McGann

Deputy Headteacher: Miss K Whiting
